John Crocken's DRUM CHART
A concise 32 page text on the best ways to notate and read music for the drum set. Included are the 3 basic "fills" and the 10 most important Latin rhythms, styles, how to use page turns effectively, brushes, and the notation of rolls. The Jazz-Latin rhythm alone is worth the price of the book.
PRICE: \$4.00 — Please include \$1.00 for postage and handling
